## **The Artist's Way Revisited:**

Due to Holiday vacations and busy schedules, there was a halt to our weekly exploration of this useful guide to helping our muse tap our inner creative resources. So, by popular demand we will begin again during our weekly Wednesday Workshop beginning on 6 March 2000 @ 1:00pm. For those of you who will participate, please attempt to purchase a copy of this book from your favourite local bookstore...if they don't have they will gladly order. Author: Julia Cameron. Price, £9.99.
